(1) The applicant's project will create new jobs that were not jobs previously performed by employees of the applicant in Indiana.

(2) The applicant's project is economically sound and will benefit the people of Indiana by increasing opportunities for employment **in Indiana** and strengthening the economy of Indiana.

(3) There is at least one (1) other state, **nation, or unrelated out-of-state company** that the applicant ~~verifies~~ **demonstrates** is being considered for the project.

(4) A significant disparity is identified, using best available data, in the projected costs for the applicant's project compared to the costs in the competing state **or nation,** including the impact of the competing state's **or nation's** incentive programs. The competing state's **or nation's** incentive programs shall include state, local, private, and federal funds available.

(5) The political subdivisions affected by the project have committed significant local incentives with respect to the project.

(6) Receiving the tax credit is a major factor in the applicant's decision to go forward with the project and not receiving the tax credit will result in the applicant not creating new jobs in Indiana.

(7) Awarding the tax credit will result in an overall positive fiscal impact to the state, as certified by the budget agency using the best available data.

(8) The credit is not prohibited by section 16 of this chapter.

(b) Notwithstanding subsection (a), the board may enter into an agreement with the applicant for a credit under this chapter if the board determines that all of the following conditions exist:

The competing state's or nation's incentive programs must include state, local, private, and federal funds available.

(5) The political subdivisions affected by the project have committed significant local incentives with respect to the project.

(6) Receiving the tax credit is a major factor in the applicant's decision to go forward with the project, and not receiving the tax credit will result in the applicant reducing jobs in Indiana.

(7) Awarding the tax credit will result in an overall positive fiscal impact to the state, as certified by the budget agency using the best available data.

(8) The credit is not prohibited by section 16 of this chapter.
